

# ***Welcome to KSU's Undergraduate Catalog!***

The Kennesaw State University catalog contains important information and is the official source of the university's academic programs, courses, and policies. The catalog should be used as a guide in conjunction with an academic advisor and DegreeWorks, in planning a course of study, and in meeting requirements for graduation.

## ***How the Catalog Works***

- ***If you're looking for another publication (such as the graduate catalog, student handbook, microcredentials inventory, etc.) please use the drop-down menu in the top right corner of the catalog.***
- Advanced search features allow you to search for courses, policies, and degree programs using course prefix, course number, exact match or descriptive phrases.
- Navigating to different sections of the catalog is easily done by clicking on the menu options on the right side of the screen.
- Each section has a print-friendly view to allow for cleaner, more attractive pages when you print.
- Help icons are readily available on each page.

***If you're not sure which catalog to use or have questions about choosing courses or degree programs, please reach out to an academic advisor at <http://advising.kennesaw.edu/>.***
