An introduction to the fundamental concepts of the business practices related to the music and entertainment industry. The course will focus on skills necessary for beginning and maintaining a professional career in the music and entertainment industry. The course will have an emphasis on practical applications of classroom knowledge to the music business and entertainment environment.

**MEBU 2270: Entertainment Media Production****3 Credit Hours***Prerequisite: Permission of MEBU Director and class instructor*

This course is designed to equip students with the skills to gain a basic working knowledge of media production as it applies to the entertainment industry. Specifically, students are introduced to audio and video production techniques through hands-on learning modules, relevant lectures, and real world technology project development and implementation. This course will establish a solid foundation for both immediate student application and further specialized media production studies.
