

ECE 4650: Yearlong Clinical Experience I (P-5)

variable 3–6 Credit Hours

Prerequisite: Admission to Teacher Education, Admission to the Yearlong Clinical Experience, Issued

Pre-Service Certificate Corequisite: EDUC 4610

Under the guidance of a collaborating teacher and university supervisor, the intern will complete a full-time teaching experience at a designated school. The experience requires working in a co-teaching environment with K-5 Learners including students with exceptionalities and with students who are English learners. It includes regularly scheduled professional seminars. Proof of professional liability insurance is required prior to school placement.

ECE 4660: Yearlong Clinical Experience II (P-5)

Variable 6–10 Credit Hours

Prerequisite: ECE 4650; Eligibility to take GACE

This course is the second semester of an intensive and extensive co-teaching yearlong clinical experience in elementary education. Under the guidance of a collaborating teacher and university supervisor and working in a K-5 environment that includes students with exceptionalities and English learners, candidates practice professional competencies that impact student achievement. This experience includes regularly scheduled professional seminars and the completion of a content pedagogy assessment.

Notes: Proof of liability insurance is required.

ECON 1000: Contemporary Economic Issues

2 Credit Hours

This course provides students with the knowledge and tools necessary to critically examine social and policy issues from an economic perspective. Fundamental economic questions as they relate to individuals, firms, and society in the modern global world are addressed. Students learn about different economic systems, how markets function, the role of government in the economy, the basis for international trade, measurement of macroeconomic performance, and the impact of globalization on living standards and economic growth.
