

Biology Minor

Program Description

A minor in biology is an excellent fit for students interested in integrating the life sciences into their academic pursuit. From students pursuing psychiatry to those interested in biophysics, the biology minor expands a student's potential to tackle the large, integrative questions of our day.

This program is a part of the College of Science and Mathematics.

Admission, Enrollment, and Graduation Policies

Admission Requirements

This program does not have specific admission requirements and only Admissions to Kennesaw State University is required.

Graduation Requirements

Each student is expected to meet the requirements outlined in the Academic Policies: 5.0 PROGRAM REQUIREMENTS & GRADUATION.

Program Course Requirements
