

development of health skills and adoption of health behaviors to promote personal, family and community health.

HPE 2290: Special Topics

1-3 Credit Hours

This lower-division special topics course focuses on selected physical activity topics not regularly offered through the Department of HPE.

HPE 2300: First Aid/CPR Instructor Training

3 Credit Hours

Theory, practice, and application for safety, injury prevention, and care to include the American Red Cross Pediatric & Adult First Aid/CPR/AED. Teaching methodologies are also needed to prepare professionals to teach Pediatric & Adult First Aid/CPR/AED (Instructor Level Certification) to the layperson. Topics may include but are not limited to: personal, school, home, recreation, traffic, work site, and disaster safety.

HPE 3450: Curriculum, Instruction and Management for Early Childhood Physical Education

3 Credit Hours

Prerequisite: Admission to the Health and Physical Education Teacher Certification Concentration, current teacher liability insurance, and a currently issued PSC Preservice Certificate.

Corequisite: HPAL 3750

This course addresses the knowledge, fundamental techniques and motor skill analysis appropriate for the development of children's games, dance, and gymnastics. The focus of this course is on curriculum development, methods, and materials for planning and implementing a total developmental program for elementary physical education. This course requires a 16-hour early field experience at local elementary schools which provides for the practical application of concepts presented in HPE 3450.

HPE 3550: Curriculum, Instruction and Management for Middle Grade and Secondary Physical Education

3 Credit Hours

Prerequisite: Admission to the Health and Physical Education Teacher Certification Concentration, current teacher liability insurance, and a currently issued PSC Preservice Certificate.

Corequisite: HPE 4430

The purpose of this course is to help candidates acquire the necessary skills and knowledge to design and implement instructional programs in middle and
