

GWST 4498: GWST Certificate Colloquium

1 Credit Hours

Prerequisite: Declaration of GWST certificate.

This course provides a capstone experience for students pursuing a GWST certificate. Students examine interdisciplinary perspectives on knowledge, engage in cultural and intellectual activities beyond the classroom, and participate in an online discussion forum.

GWST 4499: Senior Seminar in GWST

3 Credit Hours

Prerequisite: GWST 2000 and completion of sixty credit hours.

This capstone course is designed to complete the major by integrating prior academic experiences in Gender and Women's Studies. Students research, write, and present a senior thesis that addresses the relationship between theory and practical experience. A seminar format is used throughout the course.

GIS 3398: Internship

1-9 Credit Hours

Prerequisite: (GEOG 4405 or GEOG 4500) and permission of the GIS program director.

Students secure structured off-campus experiences in supervised settings as related to their major and career interests. Practical experience is combined with scholarly research under the guidance of GSS internship Coordinator. Sites must be selected in advance of the semester of the internship and must be approved by the GSS Internship Coordinator.

Notes: GSS majors need to complete the pre-registration and orientation course before seeking approval from the GSS Internship Coordinator. Geography majors seeking a B.A. in Geography must take GEOG 3398.

GIS 4100: Directed Applied Research

1-6 Credit Hours

Prerequisite: (GEOG 3305 or GEOG 3315) and consent of Instructor and Department Chair

This course offers students an opportunity to investigate geospatially-oriented concepts and issues by assisting in faculty-led research or scholarship. Course content and instructional methodologies are identified by the faculty's needs and expectations.
