

GFA 2000: On-Set Internship

6 Credit Hours

Prerequisite: GFA 1000

Upon successful completion of GFA 1000: Introduction to On-Set Film Production, the GFA Film & Television Production Internship course is a 6 hour option as part of the 18 credit hours needed for the Georgia Film Academy (GFA) Certification Program. The course is designed to provide students with a basic level of on-set film production skills, knowledge and experience with film-industry standards, organizational structure, professional equipment and on-set procedures by giving students hands-on experience on the sets and offices of working film productions and businesses. Students also have an opportunity to network and to build resumes in order to help market themselves with the intention of integrating into the film industry as entry-level workers.

Notes: This course is managed through the cooperative academic agreement known as the Georgia Film Academy

GFA 2010: Set Construction & Scenic Painting

6 Credit Hours

Prerequisite: GFA 1000

This course is designed to equip students with entry-level skills and knowledge of set construction for the film and television industry. Students participate in goal-oriented class projects including mood-boards, drafting, reading blueprints, architectural models, set safety, use of power tools, carpentry and scenic paint. Students ultimately work on a final project that gives them hands-on experience from concept to completion, solving real world problems with the skills they learn. A large emphasis will be placed on set etiquette, including but not limited to attitude, professionalism and technique on and off set.

Notes: This course is managed through the cooperative academic agreement known as the Georgia Film Academy
